| 1. | The offender has violated the special supervision condition which states 'You shall refrain from the illegal possession and use of drugs, including prescription medication not prescribed in your name, and the use of alcohol, and shall submit to evaluation and treatment, on an outpatient or inpatient basis, as approved by the U.S. Probation Office. On November 12, 2019, Mr. Figueroa was released from custody. On the following day, he reported to the United States Probation Office in Trenton, New Jersey. He was seen by the on-duty probation officer and a urinalysis drug test was administered. The test was positive for the presence of marijuana. Figueroa signed a "Drug Use Admission Form," and he was counseled on the negative consequences such conduct will have on his term of supervised release.

U.S. Probation Officer Action:

Based upon the fact that the offender acknowledged his drug use/non-compliance and expressed a willingness to comply with any treatment recommendations made, we would ask the Court to take judicial notice of the non-compliance and concur that no additional court action is deemed to be warranted at this time. Mr. Figueroa tested negative on December 27, 2019 and is attending drug treatment as required.

Respectfully submitted,

*Carolyn Stevens/SA*
